

AM20WS & AM30WS

Wall Mount Loud Speakers

The AM20WS and AM30WS wall mount speaker systems offer modern styling and high quality audio reproduction in a compact, easy to install enclosure. Featuring 70/100 volt or low impedance operation, the AM20WS and AM30WS are supplied in pairs with U brackets in black or white. An optional multi tilt bracket is available for the AM20WS and AM30WS. Whether it's background music reproduction or speech applications where intelligibility is paramount, the new AM20WS and AM30WS will give outstanding performance at a contractor friendly price.
