| Acoustic Cloth Characteristics | Order Numbers | Product |
|--|---------------|------------------------|
| Acoustic Cloth (standard) | 10 to 51 | VORTIS |
| Acoustic Cloth 2.0 (hydrophobic, dirt-repellent) | 110 to 151 | VORTIS 2, SI SERIES |
| Acoustic Cloth FR (flame retarding) | 210 to 239 | |
| Acoustic Cloth Metallic Line (shiny metallic) | 410 to 418 | VORTIS |

As standard, VORTIS 2/SI SERIES is delivered with the Acoustic Cloth 2.0 (hydrophobic, dirt-repellent).

For all weather-protected (indoor) installations, it is recommended to order the Acoustic Cloth FR.

Both colors must be specified when ordering!

The only permissible color reference is the W&B RAL color fan (1007725)!
